

PRECISION LANDING FOR YOUR

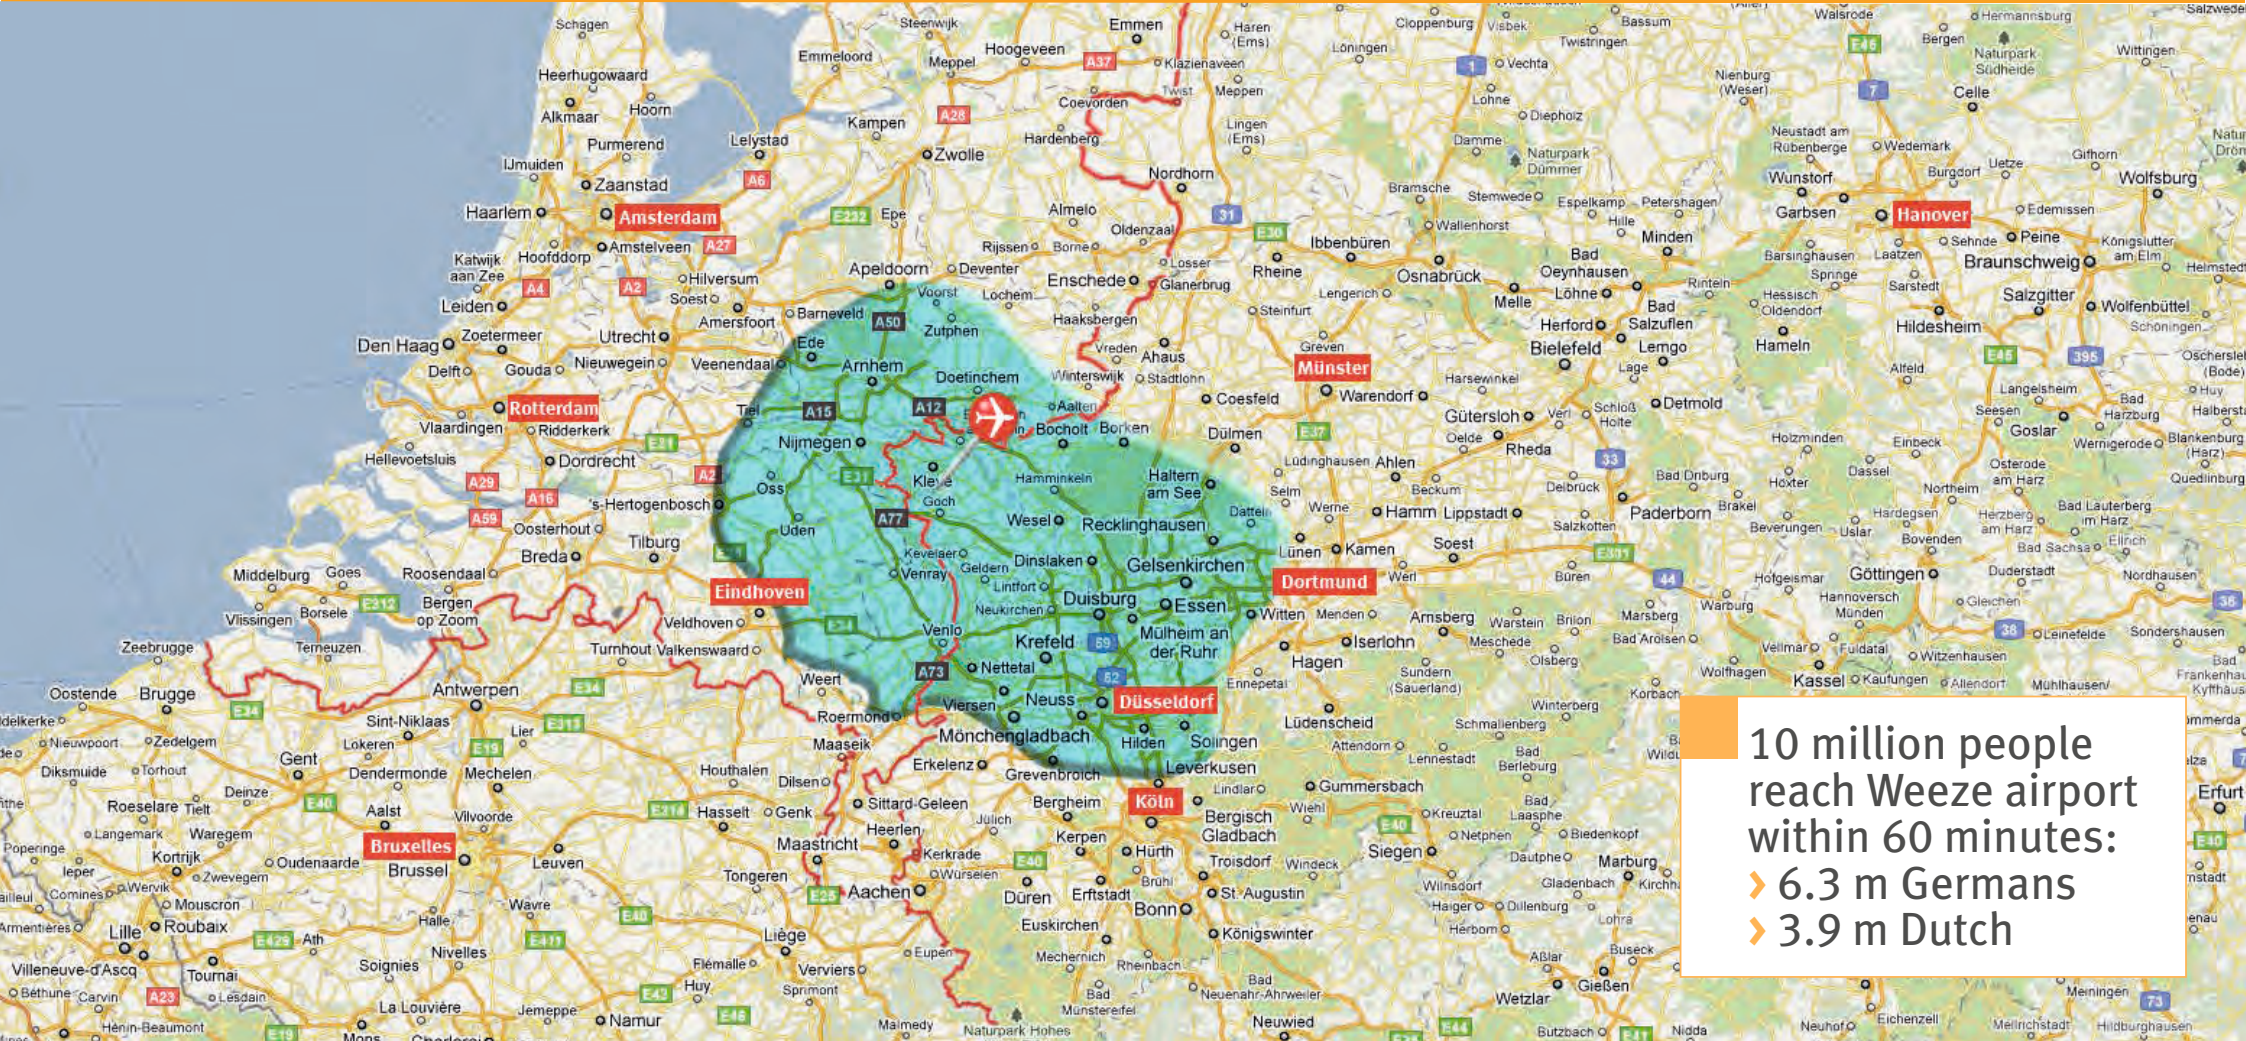

ADVERTISING

HUGE CATCHMENT AREA – LOWER RHINE & NETHERLANDS

Airport Weeze is located in the geographical centre of Western Europe in the border region of Germany, the Netherlands and Belgium. The advantage of this airport is its unique location in the centre of the Rhine, the Ruhr area and the Netherlands.

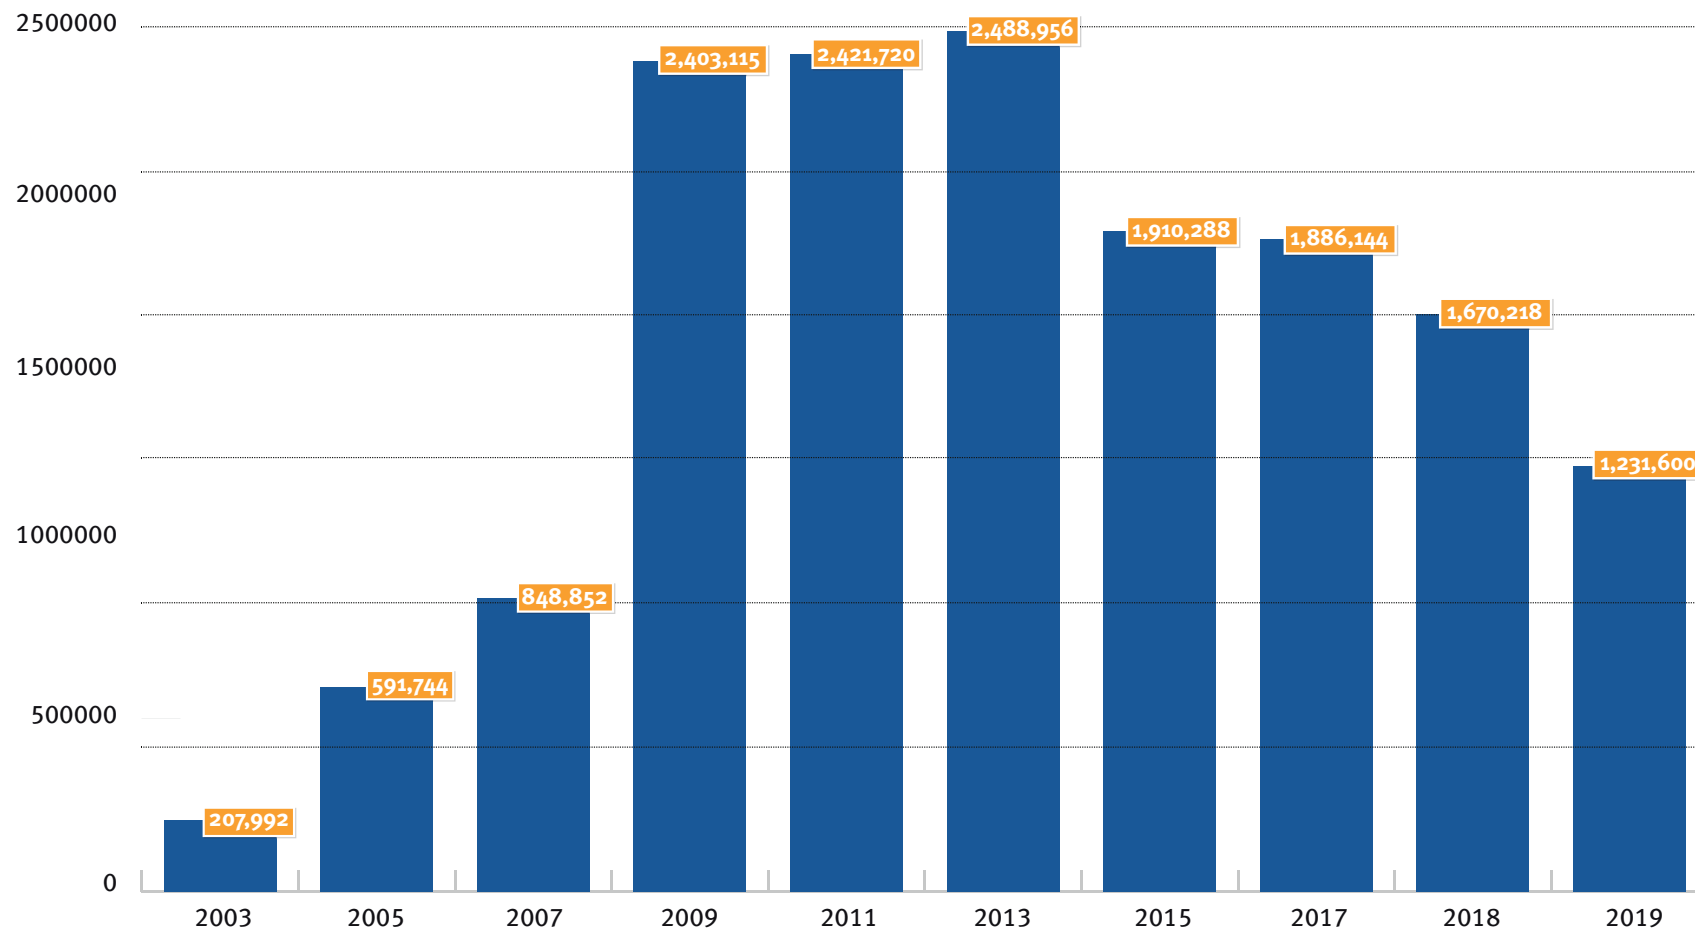

10 million people reach Weeze airport within 60 minutes:

- 6.3 m Germans
- 3.9 m Dutch

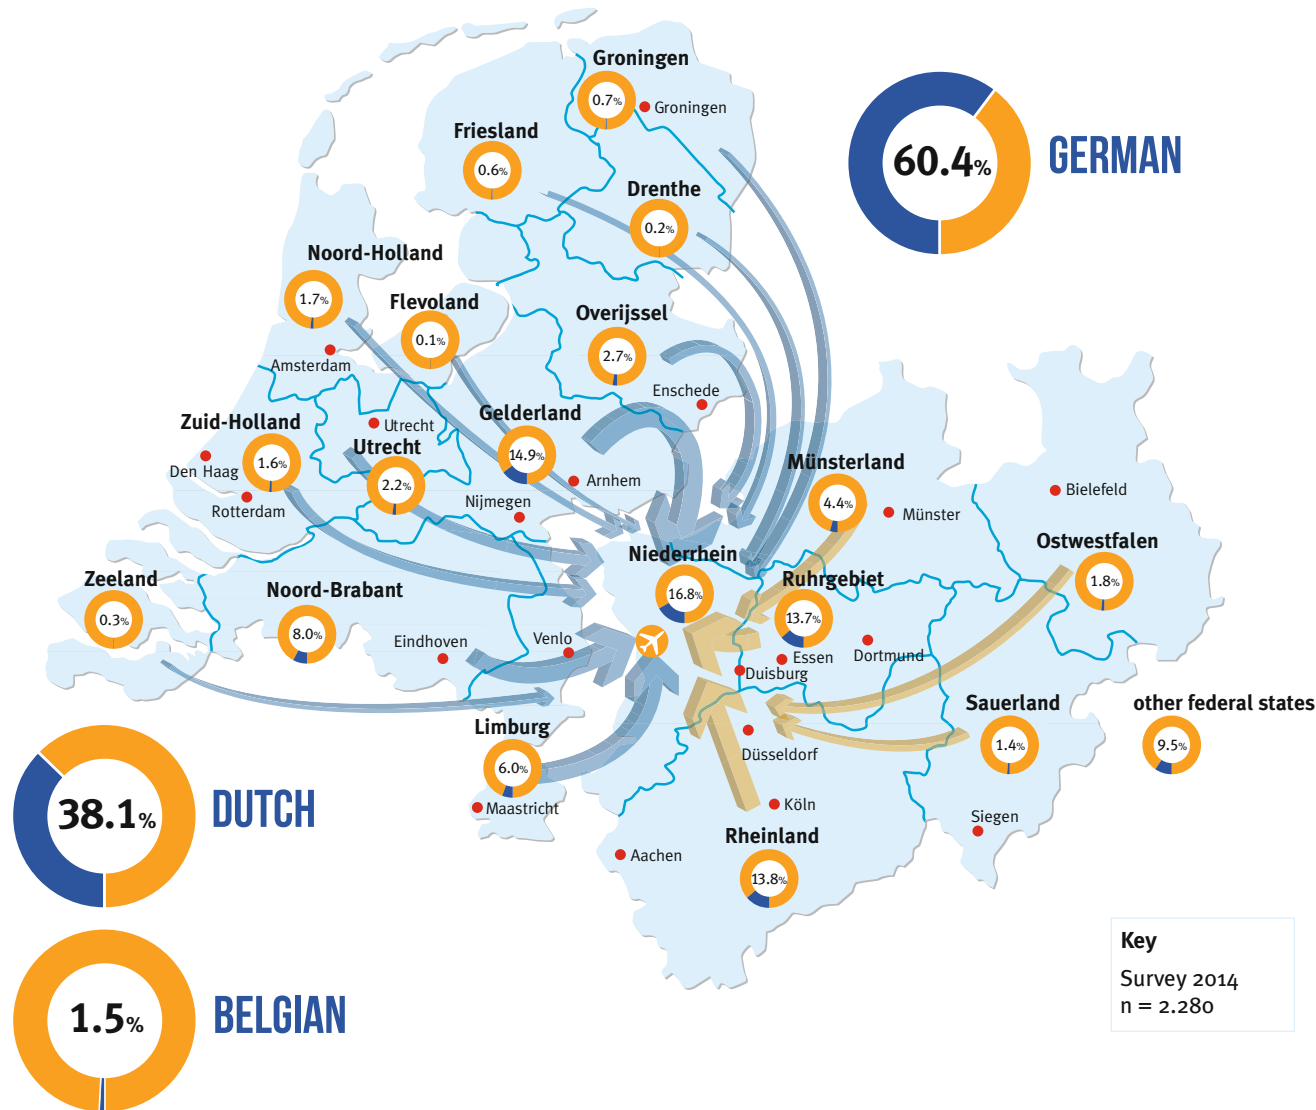

YOUR TARGET GROUP: 1.2 MIO PASSENGERS AND 500,000 VISITORS P.A.

Airport Weeze started operating as a low cost airport at 1st May 2003. In 2019 around 1.2 Mio business travellers and tourists used the passenger terminal. Approx. 250,000 meeters, greeters and visitors visited the terminal, particularly at the weekend.
